

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary is
blatant political
propagandizing on
the public airwaves,
and should not be
condoned by the FCC.

Sinclair either
needs to show an
anti-Bush program,
or show neither.
Preferably neither,
as it is not the
place of public
airwaves to show
political
propaganda. Please
put an end to this
charade!

Thank you.
